

Dear Valued Partners,

We are thrilled to announce our upcoming Fundraising Gala, scheduled for **Friday, October 25, 2024**, at the **Best Western Premier Calgary Plaza Hotel & Conference Centre**. This esteemed event aims to raise crucial funds to support ActionDignity's ongoing efforts to influence policies and advance equity in mental health, public safety, social and economic inclusion, gender equity, and workers' rights. Our focus is on achieving fair policies and eliminating barriers to accessing equitable services. For over 20 years, ActionDignity has been a leading voice for racial equity and justice, benefiting thousands of newcomers, immigrants, refugees, racialized communities and the broader Calgary community.

ActionDignity's unique brand of building civic infrastructure through community organizing and mobilizing to change conditions that hold problems faced by racialized communities in place, continues to yield tangible benefits by enhancing the quality of life of racialized communities. Through our civic infrastructure process, we build transformative capacities of community and systems leaders; convene impactful collaboratives; provide opportunities and avenues for community inputs aimed at influencing flawed systems, advancing equitable policies and ensuring equitable access to essential services and resources. Together, these have helped ActionDignity develop the capabilities and framework necessary to address structural inequities.

In 2023, ActionDignity's programs engaged 28,483 racialized community members and impacted 95,031 Calgarians, which is a tangible demonstration of collective impact through building civic infrastructure, empowering grassroots social change agents, convening impactful collaborations, and catalyzing collective impact.
